A Tribute to Betty Denny

Betty was born in Caernarfon, North Wales. Her family emigrated to Toronto, Canada where she met and married her first husband, Frank. She moved to Seattle, Washington after the death of Frank and went back to business college. This is where she met Art, her second husband.

Art and Betty moved to Roseburg, Oregon where they lived for ten years. While there, a friend gave them a Siamese female. Being whole, she came into season. Art told Betty to do something to take the cat out of her misery, so the search for a male began. They placed an ad in the local newspaper and the only response they had was for a seal point male named “Joker”. Joker was not available for stud service but could be purchased for $50.00 What a deal! The female subsequently had kittens and the whole family was hooked!

In 1954 they made a trip to Toronto, Ontario, Canada. While there, they purchased a seal point male from Sunshine Cattery and a seal point female from Shan-Ling Cattery. Betty said her story was like to many others; they showed Shan-Ling Dien and she won a red ribbon, and they were hooked. Later they imported Brenmor Timothy, a seal point and Craigiehilloch ChoJuliet, a chocolate point, and they registered their cattery with all associations using Brenmor Timothy’s nickname of Timfy.

Betty really had the bug by then and not only showed her cats in the Northwest but started traveling to the Bay area where she met Ann and Leigh Manly of Dark Gauntlets Cattery and later became acquainted with that “great lady, Harriet Wolfgang”. These people were the ones that really inspired her and helped her with her breeding program.

Harriet had left CFA in 1954 and she and Russell Middleton started ACFA which was very strong in the Northwest. Harriet suggested that Betty try to get into the ACFA judging program. In 1959 she started as an apprentice judge and found out she really enjoyed handling the cats. There were many times when she was asked, “Why don’t you change over and judge for CFA?”. She showed in CFA and helped with the first CFA club in Portland (Oregon Cats, Inc. – then called Oregon Cat Fanciers, Inc.). In 1979, with the ACFA and TICA split, she did apply for the CFA judging program and was accepted in 1980.

Betty notes there had been many changes in the cat fancy over the years. When she started judging there were only nine recognized breeds; now there are 40 plus one provisional breed in CFA. It has now been 30 years since she started judging in CFA and 20 years judging for ACFA which makes a total of 50 years this June, 2010. Betty says it has been a privilege to have been able to handle all the beautiful cats, attend professional shows and meet great people. All of this with her other activities, which include being a grandmother, a great grandmother, hobbies of sewing, ballroom dancing, golf, going on cruise ships to different places, and volunteer work, all help to round out her life to its fullest!

Betty’s take on the cat fancy today… She has had the privilege of helping several wonderful people. The computer age has taken over the personal touch we once knew; one knows the results of their cat’s standing well in advance of our annual meetings. No surprises! Few shows have the large attendance they once did. Betty truly believes that the Ambassador program will be a positive addition to our shows.

On retiring this year, she plans on being active in the Fancy, supporting the clubs in whatever way she can, and creating interest for the spectators. Betty likes to use a modified quote from President John Kennedy—”It is not what the Cat Fancy can do for you, but what can you do for the Cat Fancy” and the cat—so let’s pull together and create interest in our beautiful cats.

This is Betty’s 54th year in the cat fancy. Betty as served as President of Oregon Cats, Inc. She is also a charter member of the McKenzie River Cat Club, Eugene, Oregon and belongs to Emerald Cat Club, Salem, Oregon and Rose City Cat Fanciers, Portland, Oregon. She was Kim Everett-Hirsch’s first mentor nearly 50 years ago, along with many others who got their start in the cat fancy.
Jim’s mother was born in Brechin, Scotland and his father was Canadian. Jim’s father was wounded while serving in Europe during World War I and was hospitalized in London where Jim’s mother was a nurse. They eventually married and settled in Winnipeg, Canada where Jim was born. By the time Jim was a year old, the family had settled in Seattle where Jim grew up and graduated as a chiropractor. He never really practiced, but instead sold insurance.

Jim married and had five children. During this time he and his wife, Mary, obtained a female Siamese for the family. It wasn’t too long before they realized the cat would have to be bred. They decided a cat show would be the perfect place to find a mate! They not only found the mate they were looking for, but found the whole show thing very interesting. A future judge was born.

Jim began breeding and showing cats and became an ACFA judge in the 50’s. He later became ACFA President. He and his wife had Kilborn Kattery and raised Siamese, Abyssinians and Persians. In 1970 Jim decided to leave ACFA and go to CFA. He has judged CFA shows until his retirement last year. He has enjoyed handling the cats, meeting people and helping put on the shows.

In 1973 he married his second wife, Marge, and gained six step-children. The oldest, Linda Mollan, has been and is very active in the cat fancy. Jim and Marge are owners of Tiki Cattery and have raised several breeds before settling on Cornish Rex. Their first female came from Rodell’s Ravenesque. Jim, Marge and Linda worked very hard to get the colorpoint Cornish Rex recognized and had the very first colorpoint Cornish Rex grand champion.

Jim has participated in 4-H cat projects for many years and will continue to do so. His other passions include traveling, both land and cruise. He has been to all seven continents (105 countries) and 53 cruises and hopes to add many more.

Jim is a member of No Pussy Footin’ Around, Chinook Cat Club, Northwest TLC, Red N’ Ruddy Happening and All Chiefs, No Indians. He was, along with Lorna Malinen and others, a charter member of Red N’ Ruddy Happening and also All Chiefs, No Indians.

Jim will continue to enjoy the cat shows and people, but he also would like to have time to enjoy his 22 grandchildren and 11 great-grandchildren.
