Regional Director's Message 2011-2012

The season has certainly been an intense one! In this message, I have chosen to focus on the positive and impressive Region 2 accomplishments at regional and national levels. There will always be problems to solve…tonight is a time of CELEBRATION!

I want to congratulate all the regional winners for a great 2011-2012 season. Throughout the region, I notice positive signage on the cat cages and positive interaction with those attending our shows as spectators and first time / new exhibitors. Over the course of the last year, I have seen a turn in the focus of my private email from spectators. Before, people were wishing resolution to a negative occurrence …now they are expressing how wonderful the interactions at the show made them feel. A giant THANK YOU to each and every one of you that made this possible. The Pet Me cats have created many smiles and the Ambassador cats continue to amaze the crowds. Children participating in the Feline Youth Education Project (formerly Junior Showmanship) have worked extremely hard this year and we have three young people eligible for regional recognition and in contention for those sought-after savings bonds awarded at the national level. The winners of the national competition will be announced at the Annual.

Exhibitors from Region 2 accounted for multiple national wins in all classes and activities. Kelloggs Cattery obtained four national winners this season – congratulations to Heinrich and Carly! Region 2 cats have three national winners in Premiership, three national winners in Championship and three national winners in Kitten Class. Agility rings have been busy and four of our top five regional Agility winners are also national winners. A Region 2 cat is Best Cat in Agility!

Whether you have chosen to grand a cat, or show for a regional/national goal, your participation and support of Region 2 is appreciated. We span a huge amount of territory and don't have the most shows or the highest concentration of fanciers. What we DO have is a dedicated group of people who do all they can for each and every show! We have the best CHEERLEADERS for our shows and our region shines in the areas of recognition for our Household Pet and Veteran communities. We are leading the way for these cats and all involved with these projects are to be applauded…we are fulfilling the CFA mission for the welfare of all cats!

This next year is especially significant for Region 2 as we are hosting the Annual Delegates' Meeting and Awards Banquet. Fund-raising is key to making this event a "showcase" for our beautiful, friendly and vast region. Pam Moser is chairing this event and I have full faith in Pam and her committee to produce a memorable event! Please do what you can to support this project!

For the 2012-13 season, I wish you, your families and your cats health, happiness and peace.

GC, GP, BW, NW Kiriki Thai'm Will Tell CFA's 20th Best Cat in Premiership

"You are never given a wish without also being given the power to make it come true. You may have to work for it, however." ~ *Richard Bach*

I'm a National Winner!!

Twilly is also the
3rd Best Cat in Premiership
in Northwest Region 2 this year.

She is the first Korat National Winner from the West Coast

Breeder/Owner: Ann Segrest,
Salem, Oregon

It is not by the gray of the hair that one knows the age of the heart. ~Edward Bulwer-Lytton

Twilly was born October 10, 2002, and is 9 years and 8 months old.

At the age of 8 in 2011, Twilly earned a regional award in Veterans competition.

At the age of 7 in 2010, Twilly added "BW" to her titles as CFA's Best Korat and "RW" as the 10th Best Cat in Championship in Region 2.

She granded in show season 2003-2004 and was 2nd Best Korat in Region 2 and CFA that year.

I could not have accomplished this goal without the love and support of my husband, Fred. His unfailing support and good humor for more than 50 years brought joy and fulfillment to my life. He was not a cat person, but he understood what made me happy. He was the kindest man I've ever known. May you all be lucky enough to have a person like Fred in your life.

Special thanks to all of you who gave me hugs, advice, rides, and cheered for Twilly all season long!

CFA Youth Feline Education Program

Sponsored by Royal Canin

CFA-YFEP engages youth from 7 to 18 in activities from drawing a poster, to doing a breed presentation, to working on a show committee, to taking a therapy cat to visit a hospital unit. The program is designed to allow youth to enjoy the cat fancy and excel at their own pace through the activities and age categories while enhancing their appreciation for felines and feline inspired professions.

At the end of each show season the top three youth in each age category will be recognized at the regional level with rosettes and plaques and at the national level with savings bonds for their future education.

CFA-YFEP encourages everyone to like us on Facebook, where we will post announcements but also encourage our youth to share their experiences and achievements in the program.

If you are a Parent, Guardian, Grandparent, Aunt, Uncle, or Friend and wish to help with the program or have a premier that needs a good home with a youth please contact our **CFA-YFEP** Secretary, Cathy Dunham at brtzohny@mchsi.com. She will be happy to direct you to the regional representative in your area.
